Electronic Filing of Complaints and Notices of Removal on CM/ECF

CM/ECF filers are highly encouraged to use the **Guide for Opening a Civil Case and Filing a Civil Complaint in CM/ECF** and **Guide for Filing a Notice of Removal in CM/ECF** when filing an initial pleading in this court. The guides are available on the court's **E-Filing (CM/ECF)** webpage: <https://ecf.paed.uscourts.gov/cgi-bin/ShowIndex.pl>.

An attorney that is admitted to EDPA, or a paralegal working for an admitted attorney, may practice filing their complaint or notice of removal in the court's [CM/ECF Training Database](#) before filing in Live. There are fifty established training logins and passwords to use. Use law1 through law50 for the login and Attorney1 through Attorney50 for the corresponding password. Logins and passwords are case sensitive.

If you have any questions on filing complaints and notices of removal electronically on CM/ECF, please do not hesitate to e-mail this office at ECF_ClerksOffice@paed.uscourts.gov.
